By Wausau Elks Lodge #248

Wausau Elks Lodge #248 is again sponsoring the United States Constitution Contest. This competition will be held at our Lodge on the corner of Fifth and Scott Streets in Wausau on Sunday, March 5, 2023 at 1:00 P.M. It consists of a multiple-choice exam with 40 questions, which stress understanding and interpretation. In addition, there is an essay question which is only scored if there is a tie on the objective portion.

The Wausau Lodge has committed \$1,200.00 in scholarship money to this contest. The first-place winner will receive \$600.00, second-place \$400.00, and third-place \$200.00. Additionally, the first-place winner will be eligible to compete at the State level on Sunday, March 23, 2023, at 11:00 PM, where an additional \$26,500.00 + will be awarded. This contest is open to ALL graduating Wisconsin high school seniors who are citizens of the United States.

We are attempting to increase the number of students who participate. As a former educator, myself, I believe that this can best be accomplished by going to the teachers who work most closely with the students.

We are contacting you in the hope that you will be able to assist in increasing the number of students from your school who participate. We ask that you would share this information with eligible students. Please make as many copies of this letter to forward to students and teachers as you deem necessary. No pre-registration is required but if a student is interested, they can email me and I will send them a form. If you have any questions, please contact me at 715-571-4065, or email me at: rhennings4065@gmail.com.

Thank you.

Sincerely,
